A C T I V I T I E S DURING CAMP

GENERAL INFORMATION

1. The purpose of this camp is to provide a place where the children can learn to work together and to help each other. The children will be divided into groups and will be given assignments to complete. The children will be expected to work hard and to follow the rules of the camp.

2. The children will be given a variety of assignments to complete. These assignments will be designed to help the children learn to work together and to help each other. The children will be expected to work hard and to follow the rules of the camp.

3. The children will be given a variety of assignments to complete. These assignments will be designed to help the children learn to work together and to help each other. The children will be expected to work hard and to follow the rules of the camp.

4. The children will be given a variety of assignments to complete. These assignments will be designed to help the children learn to work together and to help each other. The children will be expected to work hard and to follow the rules of the camp.

5. The children will be given a variety of assignments to complete. These assignments will be designed to help the children learn to work together and to help each other. The children will be expected to work hard and to follow the rules of the camp.

E P I L O G U E

The children have completed their assignments and have learned a great deal about working together and helping each other. They have also learned a great deal about themselves and about the world around them. They have been very hard working and have followed the rules of the camp very well. They have been a great help to each other and to the camp.

The children have been very hard working and have followed the rules of the camp very well. They have been a great help to each other and to the camp.
